DEAR PARISHIONERS OF ADRIAN

I write this while still reeling from the tragic school events in Florida this past week. The consistent cry we hear after these tragic events is asking how this could happen again. Unfortunately these types of events will continue to happen in schools, malls, churches, etc. They will continue to happen as long as our legislators have the gumption to forego campaign funding from the NRA and their inane opposition to any restriction on the types of guns available for purchase. I know I write to many of you who are active

hunters, but I have not heard from any sportsman why there would be a need for any automatic weapon for a sporting event. Use your political power to inform your elected officials that their stance on gun control is an issue important to you.

I know that mental illness is part of this growing phenomenon of violence and certainly there are issues to be dealt with there. Let us begin to honestly address our concern with those who have the power to change laws to keep automatic weapons from the hands of anyone other than the military or police officers.

This is truly a pro-life issue when we see our young people continue to be slaughtered, especially in places where they should be safe. Perhaps, as parents, we need to tell our children to notify us of any concerns they have about someone exhibiting strange and bizarre behaviors. We need to know where to go with any suspicious concerns. Be safe rather than sorry.

~Fr Tom

GREETINGS IN CHRIST!

A blessed and holy Lenten Season to you all!

For the next 40 days, we are challenged to "take it up a notch": to focus on fasting, prayer and almsgiving (charity). This is a time to be conscious of our sin (not other people's sin!) and make sure that we abstain from meat on Fridays during this season. It's also important that we get to confession and, as a result, there are tons of options in our area to make sure we don't wait till the last minute or miss it entirely.

I'm going to try something new for this Lenten Season: I'm going to preach Themed Homilies. The idea of a themed homily is a minor custom in the Church where the priest prayerfully chooses a theme for a Season and preaches that theme as opposed to focusing on a particular reading. I was going to do this last year, but it involves a lot more preparation time than I had so I spent the last year tinkering on and off with a schedule and prepping the homilies so that I would be ready for this year. God is so good...He really helped and guided me on this and I'm blessed.

So...what's the theme? "The 7 Deadly Sins and the 7 Cardinal Virtues".

Here's how it will look:

Feb 18 - Greed & Gluttony/Generosity & Abstinence

Feb 25 - Envy/Gratitude

March 4 - Anger/Patience

March 10 - Lust/Chastity

March 18 - Pride/Humility

March 25 - Sloth/Diligence

A couple notes on this: When we look at Lust/Chastity, I found I was uncomfortable preaching it in congregations that have little ones, which would be every congregation. As a result, I chose to do it for the March 10th weekend because I will be away. What I'll do is, instead of preaching a homily, I'll write one and send it to the bulletin so you can read it at your leisure.

Palm Sunday is a tough one: it is one of the longer masses of the year and even without a homily, is going to be close to impossible to preach anything substantial because I'll have to fly out of Church to get to the next mass on time. So, that is the Sunday I'll preach on Sloth/Diligence and again, most of it will probably be written, unless I figure a way to trim it more than I have already.

I'm excited about this and hope that God bears great fruit in all our lives as a result. I know that, just working on these and praying about them, I was convicted of a lot of sins in my life that I had lost track of...praise the Lord!

SAINT VINCENT DE PAUL

In January we served 208 families (18 were new families), and 686 individuals. Children again make up the majority of our clients.

The Lenawee Cares program of the Lenawee Community Foundation has included us in their donations recently and we thank them for the wonderful things they do for our community. If you donate to the LCF, remember you can specify that your donation go to our food pantry.

We continue to need rice and beans. Your clean used plastic bags are appreciated. Drop them at the pantry or in the Baptistry.

Proverbs 27:7 reads "He who is full loathes honey, but to one who is hungry everything bitter is sweet." We find this to be true at the pantry. Our clients appreciate all we do for them.

OUR STEWARDSHIP OF GOD'S GIFTS

Abraham was prepared to sacrifice his only son, Isaac. St. Paul reminds us that God Himself "did not spare His own Son." Are *my* gifts to the Lord — of my resources, of my time, of myself — also sacrificial?

“Be Bold, Be Catholic”

(Prayer, Study, Generosity & Evangelization)

Our Call: Called Through others

God works through others to call us and many people have said they experienced a sense of calling through another person, whether that is family, friends, mentor or spiritual director. This happens when people around us notice what we are doing and how we are doing it; they recognize how we are living our lives and our faith. These people are often referred to as our God people the one's we go to when we need confirmation of God's call, they are the people who will tell us the truth about ourselves.

Not only are we called by others, but God also calls others through us; each one of us are actually agents of vocation for God. For others to hear God's call through us we need to realize that God is using us to call others. If necessary we must become a person through whom God's call is heard and answered by another. How are others called by God through you?

Robert Kagan wrote: “Who comes into a person's life may be the single greatest factor of influence to what that life becomes.”

QUERIDOS AMIGOS,

Mientras escribo esto, aún me tambaleo de los trágicos eventos escolares en Florida de la semana pasada. El llanto consistente que oímos después de estos trágicos acontecimientos nos hace preguntar cómo puede suceder esto otra vez. Desafortunadamente, este tipo de eventos continuarán en las escuelas, centros comerciales, iglesias, etc. Seguirán pasando mientras nuestros legisladores tengan el coraje de renunciar a la financiación de la campaña de la ANR y su oposición a cualquier restricción sobre los tipos de armas disponibles para la compra. Sé que escribo a muchos de ustedes que son cazadores activos, pero no he oído de ningún deportista que tenga la necesidad de un arma automática para un evento deportivo. Utilice su poder político para informar a sus funcionarios electos que su postura sobre el control de armas es un problema importante para usted.

Sé que la enfermedad mental es parte de este fenómeno creciente de la violencia y, ciertamente, hay cuestiones que hay que tratar allí.

Comencemos a hablar honestamente de nuestra preocupación con aquellos que tienen el poder de cambiar las leyes para mantener las armas automáticas en manos de solo aquellos que pertenezcan al ejército o los oficiales de policía.

Esto es verdaderamente un asunto de pro-vida cuando vemos a nuestros jóvenes siendo masacrados, especialmente en lugares donde deberían estar seguros.

Tal vez, como padres, necesitamos decirles a nuestros hijos que nos notifiquen de cualquier preocupación que tengan acerca de alguien que muestra comportamientos extraños o inusuales. Necesitamos saber a dónde ir con cualquier preocupación sospechosa. Estar seguros en lugar de lamentarnos.

~P. Tom
